

# Physiotherapist Opportunity

**Welcome,**

Are you passionate about movement, patient care and education?

Is the process of life-long learning and growth exciting to you?

Do you love engaging in a community and team of like-minded practitioners with the common goal of providing the highest standard of patient-centred, evidence informed care?

Are you looking for a new opportunity to work in a team that shares these values?

## Physiotherapist Opportunity

Hello and thank you for taking the time to read this invitation,

### Who are we?

Total Body Health is a collaborative team of health practitioners dedicated to providing exceptional patient care. We are passionate about education and dedicated to the life-long pursuit of learning. We are movement-focused practitioners; we believe movement is the cornerstone of physical rehabilitation. Our mission is to help our patients and our community move better, feel better, feel stronger, and perform better, regardless of where they've started from.

We are committed to professional development and express this commitment through monthly team meetings that include presentations from our in-house experts, as well as guest speakers. We sponsor and host continuing education courses featuring leading educators and clinical content.

### Who are you?

You share our passion for movement-focused, patient-centred care. You are self-motivated and driven toward clinical excellence. You love what you do and the fulfillment that comes from serving your community and helping your patients.

### What we offer:

- Competitive percentage-based income
- A fun and focused work environment
- Beautiful, new, purpose-built location with a 1000 square foot rehab and movement studio that includes all the equipment you could want. Our private physiotherapy room has direct-access.
- Advanced modalities: Focused SWT and Class 4 Laser
- A dedicated administrative team and office managers
- Jane.app online billing, booking and electronic medical records
- Regular 1-on-1 mentorship opportunities with industry leaders
- Monthly team meetings, including case presentations, research reviews, and guest presenters
- A leadership team with dedicated roles to ensure your needs are always met
- Flexible patient scheduling, 1-on-1 appointments. You set the standard and choose the length of your initial and follow up patient appointments.
- Morning and afternoon-evening shifts available, 6-days a week.
- Steep discounts on continuing education, and regular leading con ed events sponsored by and hosted at Total Body Health.

### What's next?

Let us engage dialogue about your vision and goals for your practice and career, in the hope we see a common path toward them and with Total Body Health being your place to achieve them.
